

AUGUST 2016

Curriculum:

Infants: The Color **RED**

PS1/PS2/PS3: This month's theme is the Science Lab! The children will explore scientists and their discoveries, as well as some inventions that have changed lives! We will study the mysteries of sound, light, forces, electricity, magnets and resistance. We will do a lot of hands-on learning and experiments!

PS4: Summer Fun! To celebrate the last month of Summer, we will be doing fun end of summer activities like making our own popsicles, giant bubbles, and a Luau!

Please make sure your child has a water bottle!
