Happy New Year!!!

Sickness Policy

Just a reminder as we approach the winter months, please keep your child home if they are sick, not just fever but with other symptoms as well. Your child needs to be symptom/fever free for 24 hours before returning to childcare. If we send your child home - they need to be home the next day (not just 24 hours). Please do not medicate and bring your child unless your doctor give a note stating that your child is not contagious and may return.

Hopefully we will have a healthy winter if we can all work together on this policy.
