

## Curriculum:

**Infants:** We will be enjoying Christmas crafts. We will also enjoy listening to Christmas music all month long.

**PS1/2:** We will be spending a fun filled month studying all things Christmas.

**PS3/PS4:** We will be studying about the birth of Jesus and Christmas. We are also studying winter and working on patterns. We will be enjoying crafts and activities all month long that celebrate the Christmas season!!

We would like to extend a special invitation to all of our Jacob Academy families! Please join us at Belmar Baptist Church for one of our Christmas Eve Services at 3:00 or 6:00pm. Please come celebrate the real reason for the season at Belmar Baptist Church  
480 S Kipling St

### Reminders!!!!

1. Please bring coats, gloves, hats EVERYDAY!!
2. Tuition is due by end of day Tuesday!!
3. If your child is sick and goes to the doctor, we MUST have a note for them to return. This note needs to state when they can return and what his/her diagnosis is!
4. Illness is not only diagnosed with a fever! Please be mindful of severe coughs, lethargy, difficulty breathing, etc. If your child is sick, please be mindful of others and keep them home until they are symptom free.

## Canned Food Drive Competition!!!

*The Christmas season is a time of year when canned foods are in need at local food banks. We want to contribute to this need while having a little fun at the same time! We will have a friendly competition between the classrooms at Jewell. The winning classroom will get to enjoy a Movie Day Party/PJ Day (age appropriate).*

*We will be updating the progress of the competition on Friday mornings. We will announce the winning class on Friday, December, 30th. Please give your canned goods to your child's teachers and they will place them in the hallway next to their rooms. Thank you in advance for participating in this friendly competition!!!!*

## Classroom Christmas Gift Exchange

Each classroom at Jacob Academy- Jewell would like to have a Christmas Gift Exchange during their class Christmas party. Instead of buying gifts to exchange and take home, we are asking that each child pick a gift idea from their teacher, purchase the gift, wrap it, and bring it in for the party. The kids will then exchange their gifts- but instead of bringing them home, they will be new additions to our classrooms or playground!
