Upcoming Events:

Tumble Bus

This is a great outlet for energy- especially in the winter months!!
Ask your child's teacher for more info!!

POLICY CHANGE!!!!

Parents, in an effort to keep our little ones as safe as possible- we are no longer allowing parents to go in and out of our toddler room to pick children up from the playground. Please grab your child's belongings from his/her classroom, then exit his/her classroom door to go to the playground. You are welcome to exit the playground up the ramp to the right. If you need back in the building, you will have to walk around and enter the front door again. We hope everyone understands this is an effort to keep everyone safe!

Ink Cartridges

Another great way to help out our school is by bringing in your used ink cartridges- they can be any brand or kind. We receive money from Office Max and purchase much needed paper and other classroom supplies with this money. There is a box in the foyer for your convenience. Thanks again for your support!!
